AMENDMENT

In response to the Final Office Action mailed June 10, 2002, please enter this amendment and consider the following remarks.

IN THE CLAIMS

1. (Twice Amended) A apparatus comprising:
- means for displaying a first list of reduced visual representations of a plurality of media objects ordered automatically in chronological order and grouped by media objects relating to one another;
- means for recording a narration to be associated with at least one of the reduced visual representations;
- means for displaying a second list of reduced visual representations of the plurality of media objects ordered manually, the second list having a narration associated with at least one of the reduced visual representations;
